

E-Commerce Enablers

CyberSolutions is one of the leading e-commerce enablers in Germany. We design, implement, maintain and optimize award winning e-commerce platforms end-to-end. Our solutions are based on best-in-class software like SAP Hybris and Adobe Experience Manager and complemented by differentiating unique services. We have highly specialized Webshop Development and Smart Services development teams.

Our offices are located in Munich (headquarters) and Cluj-Napoca (smart services). *CyberSolutions* is a 100% subsidiary of Burda Digital.

László Kovács
Managing director

László Kovács has been a member of the management board since April 2016 and is responsible for e-commerce technology in Munich. Most recently, he was a member of the management board at empiricom KG and octobo GmbH, both e-commerce and online marketing companies and members of the OTTO Group.
