Elle Decoration is the world's leading home and interiors magazine in the high-end segment. Six times a year, the magazine informs readers about the latest trends in design, art and architecture and provides a premium service. *Elle Decoration* features opulent home reports and the most beautiful decorative styles, apartments, lofts and country homes around the world. There are 25 editions of *Elle Decoration* worldwide.

Elle Decoration doesn't just report, but also promotes specific causes such as the protection of creativity and innovation. In the international "BeOriginal" campaign, launched in Germany in 2014, the *Elle Decoration* team joined with selected partners – including Ligne Roset, Foscarini, USM, Smeg and B&B Italia – to promote original design. The aim is to make consumers aware of the quality and value of original products.
