

Hubert Burda Media

One magazine, one topic – in detail

Whether you're looking for a tax advisor, a lawyer or are interested in real estate, each magazine in the *Focus-Spezial* series focuses on one topic relevant to consumers and industry insiders. The experts on the editorial team address the key trends and developments in the industry in question – with insightful analyses, incisive interviews and smart journalism.

Each magazine is available to purchase individually and in digital format. With specific topics and target groups, *Focus-Spezial* magazines act as tailored, targetable advertising environments with high market relevance.
