

Price comparison with reliable service

Mietwagencheck offers rental vehicles from 6,000 rental stations in 87 countries. The price comparison function enables customers to find a reasonably priced service that meets their needs. The portal's many benefits include personal customer service, a professional, simple and fast booking process, and price security and transparency. Users can also cancel up to 24 hours before the rental starts without paying a fee and have unlimited mileage.

Mietwagencheck.de is a service of Driveboo AG, a 100% subsidiary of the listed HolidayCheck Group AG with Hubert Burda Media as its main shareholder.
