

Hubert Burda Media

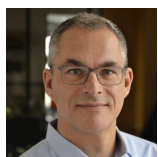

StockFood

StockFood is Germany's largest picture agency and the world's leading marketer of food photography. It provides creative professionals from the media, marketing and advertising with a collection of premium-quality images, features, videos and recipes relating to cookery, food and enjoyment.

The company also includes *Living4media*, an agency specialising in homes and living, the *Seasons Agency*, which focuses on beauty photography, the Science Photo Library agency, which specialises in medicine and science, and the Friedrich Strauss Gartenbildagentur.

Martin Skultety
Managing director

Martin Skultety has been with *StockFood* for over 20 years and has played a major role in the agency's evolution from a small, specialist provider into the world market leader in food photography.
