

# Hubert Burda Media

## High-performance, modern

### BurdaDruck

400 million pages printed every day, around 50,000 magazines produced every hour: With two plants in Offenburg, one company in Nuremberg and one in Vieux-Thann, France, the **BurdaDruck** group is one of Europe's highest-performance, most modern printing companies. Its broad range of services include the production of high-quality magazines, catalogues and printed advertising and all associated services.
